'round town

with Betty Allen...

There were many stiff necks in town last week after nearly everyone watched the comets all evening.

★ ★ ★

Kenneth Cooperrider, son-in-law of Mrs. R. S. Maxon of Sunnyoaks Road, is one of the editors on the new magazine, Footlighter, to be on the newstands the last of this week. His wife was a recent Campbell visitor.

★ ★ ★

Customers of the Blue Bell had a good laugh one noon last week. During the height of the rush time, Lois Wiggins, popular and efficient waitress, was carrying a large order to one of the booths when something slipped and a hamburger landed on the floor. Lois scooped it up, threw it away and ordered another one. When it was ready she picked it up to find it securely tied with string to the plate.

★ ★ ★

Rachel overheard the following classic remark in San Francisco. Two heavily made up girls were watiting for a streetcar and one informed the other: "I always do my light reading on the street car and save my heavy reading for the train."

★ ★ ★

Had a wonderful letter from Vivian Becker in Guatemala last week. Paul has started the first English news broadcast in Latin America and the program, called "American Notebook", is proving very popular. Many besides the Americans listen in order to hear "English spoken correctly". Vivian is teaching in the American school and finding it quite an experience since practically every language in the world is spoken by both the pupils and the teachers.

★ ★ ★

In spite of the rainy season now in progress, the Beckers are most enthusiastic over their new country and excited about moving into a house complete with a huge patio. Vivian made me quite envious with her tales of steaks at 30c a pound, orchids for 50c a plant and carnattions 10c a dozen. They have also been sampling some of the native fruits and vegetables and Vivian says one of them tastes just like Chanel No. 5.

★ ★ ★

The only complaint they seem to have is the sad fact that the shipping strike has held up the arrival of their Presses and they are behind on the news of Campbell.

★ ★ ★

Many thanks to Donald Given for his nice letter. That's the kind that is deeply appreciated.

SAN TOMAS DISTRICT GETS RESTRICTED ZONING

Members of the San Tomas Improvement Club are pleased at the recent decision of the Board of Supervisors to zone the San Tomas District for residences only. The move, recommended to the Supervisors by the County Planning Commission, was originated by the club. Only one small business zone at the corner of San Tomas Road and Elam Avenue was allowed.

The total area within the restricted zone is bounded on the north by San Thomas Aquino Creek, on the east by a line drawn midway between Virginia Avenue and San Thomas Aquino Road, on the south by Allendale Avenue, and on the west by a property line running north and south across the west end of Elam Avenue.

Every week a name will be drawn from our list of new subscribers and printed in the classified ad column. The person whose name appears there may receive two free passes to the Campbell Theater by calling at the Press Office. Look and see if your name is there!

Lon Weeks Dies As Result Of Accident

Funeral services were conducted Tuesday afternoon for Lon Weeks who died as the result of injuries received in an automobile accident near Stockton. For almost ten days Weeks lay unconscious in a Stockton hospital before death claimed him. With him was his wife who left Campbell for Stockton immediately after the accident.

Accompanying Weeks at the accident were Omer Kimbriel, driver of the car, and Raymond Bumpas. The men were returning from a hunting trip when their car collided with a truck. Bumpas was only slightly injured but Kimbriel received a severe hip injury.

Final rites for the Campbell man were held at the Rutherford Funeral Home on Winchester Road with interment at the Santa Clara City Cemetery.

He leaves his widow, Julia Weeks, Dillon Ave.; two daughters, Mrs. Betty Jones of Agate Beach, Oregon, and Mrs. Maggie Brewer of Porterville; and his mother, Mrs. Cecie Weeks of Davis, Okla. He was the brother of Pete Weeks of Fresno; Jesse Weeks of Maysville, Okla.; Belton Weeks of Ponca City, Okla.; Robert Weeks and Berry Weeks of Tonkawa, Okla.; the late William H. Weeks, Mrs. Carrie May of Fresno; and Mrs. Retha Thornton of Davis, Okla.

Weeks was a native of Alabama but had lived in Campbell for several years.

Mary A. Serpa Dies At Age Of 79

Following a short illness, Mrs. Mary A. Serpa, 79, died at the Pruneridge home of her daughter, Mrs. Mae Camacho, on Sunday, Oct. 13. Mrs. Serpa, who was a resident of the Santa Clara Valley for the past 30 years, leaves four children, Mrs. Camacho, John A. Serpa of Campbell, Manuel A. of Lemoore, and Louis A. of Cali, Columbia; and also a sister, Mrs. Anna Curtis of Oakland; six grandchildren and four great-grandchildren.

Born in Fayal, Azores Islands, Mrs. Serpa lived for 40 years in Hanford before coming to Santa Clara with her husband, the late John A. Serpa. She was a member of Council No. 118, SPRSI, Hanford.

On Tuesday evening the rosary was recited at the Rancadore and Alameda Funeral Chapel. On Wednesday funeral services were conducted and requiem mass celebrated at St. Clare's Church in Santa Clara.

Interment was in the Catholic Cemetery in Hanford where she was laid beside her late husband in the family plot.

SKEELS ENDORSES GRAHAM

Lloyd W. Skeels, veteran Morgan Hill police chief and constable gave Undersheriff Tom Graham's campaign for the office of sheriff a boost by revealing he will back Graham in the coming ing election.

Skeels, who missed election to the sheriff's office by only 1200 votes in 1942, made the announcement last week at a veterans meeting in Morgan Hill. He was also a candidate for the office in this year's primaries.

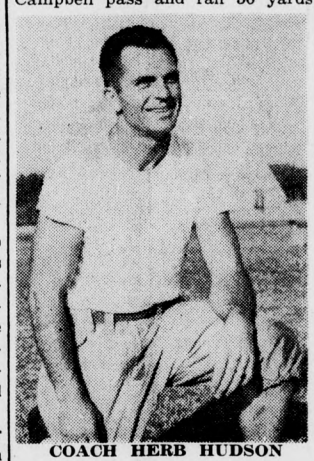
In making the announcement, Skeels said, "There is no substitute for on-the-job experience, and consequently Tom Graham is my choice for sheriff."

Bucs Score At Gilroy 18-6, Will Meet Fremont Oct. 18

By RONALD LA MAR

The Campbell High Bucs came through with their second victory of the 1946 season last Friday night at Gilroy.

In the opening minutes of play, Buck, a Gilroy end, intercepted a Campbell pass and ran 50 yards



COACH HERB HUDSON

to a touchdown. The Bucs came back in the same first quarter with Gouley scoring on an off-tackle play. Kuykendall scored in the second quarter, making the score 12-6 at half-time. Another score in the fourth quarter by Kuykendall made the score 18-6.

Gazay and Levi Estrada showed up well in the line for the Bucs, while Gouley and Kuykendall were constant ground gainers in the backfield.

The Buccaneers meet Fremont High Indians on the local turf this Friday at 3 p. m., which is a crucial league game. The Campbell team has a few minor injuries but should be ready to chalk up its third victory of the year.

Red Cross To Remember Servicemen

Thousands of servicemen on the highseas at Christmastime, on hospital ships, en route to or from distant ports, or manning the Navy's countless ships, large and small, will not be forgotten at Christmastime if plans formulated by the Red Cross Community Services to Camp and Hospital committees are carried out.

Contributions of civic and club groups and individuals to this Christmas project are being received locally by Mrs. Dave Ribble, Campbell 3993, and gifts are being purchased by the committee headed by Miss Dorothea Madsen of San Jose Chapter Red Cross.

Those plannnig to share their Christmas with lonely servicemen on the highseas are asked to contact Mrs. Ribble or Miss Louise Knotppel, chairman of Community Service.

Immediate action is urged as gifts must be wrapped and ready for shipping by mid-October. Each will carry the name of the donor.

Birds Or Blowouts?

By Dudley Herschbach
Scout Reporter.

It all started as a bird trip, but due to transportation difficulties—well that's the story.

James Peterson, a member of the Santa Clara Valley Audubon Society, and four Boy Scouts of Troop 36 started for Palo Alto, where the society was to hold a field trip.

They started off but didn't get very far, for flat number one occurred just out of Mr. Peterson's driveway. It was speedily repaired however, and the party went on.

Fate is cruel though, and two miles from the nearest station a blowout detained them. One of the boys hitch-hiked to a garage while the rest "studied" worn-out tubes and tires instead of birds.

The tire was finally repaired, but not for long, as 1000 feet farther on the same tire blew out again. Well that ended the bird trip!

Mr. Peterson had given talks on first aid and bird study at a previous Scout meeting, and is a counselor for the bird study, first aid, and astronomy merit badges.

The Scouts, Harry Pankoski, Frank Shepherd, Billy Shepherd and Dudley Herschbach hope to have a more successful trip in the near future with Mr. Peterson who may accompany their troop on a camping trip to the seashore if more dependable transportation can be secured.

CAMPBELL BOY RECEIVES HIGH HONOR

Lawrence Groteguth of Campbell High School was among the 118 farm boys who were elected to the "State Farmer" degree, highest State rank, at the California Future Farmers Association convention at the California Polytechnic College last week.

WHITE AT NIGHT

With fewer daylight hours, as winter approaches, pedestrians are urged by the California State Automobile Association to "Take It Easy" and to wear or carry something white when walking at night.

Unified Youth Service Planned

Louella Rice will direct the worship service in the Unified Youth Service at the Methodist Church Sunday evening at 6:30 o'clock. Herman Rice will lead the discussion in the junior high group at 5:45, and Margaret Robertson will lead the topic in the high school group at 7 o'clock. The recreation program will be in charge of Robert Powell.

JOHNNIE'S PLACE CHANGES HANDS

Mr. and Mrs. James Cobb have purchased the Campbell Ave. tavern known as Johnnie's Place, and are now operating it.

Mr. and Mrs. Winford H. Van Dervoort, former owners, have left for a trip East for their health. Both were injured in an automobile accident last December and have not yet recovered.

Menlo Park is the former home of the Cobbs, who are both experienced in the tavern business. The new owners are engaging an orchestra for Saturday and Sunday night dancing.

HORNBUCKLE WANTS EFFICIENT LAW ENFORCEMENT

A modern, efficient law enforcement agency throughout the entire Santa Clara County is the goal of Howard F. Hornbuckle, candidate for sheriff in the November 5 general election, he revealed this week at a meeting of campaign supporters in Campbell.

"Law enforcement can no longer be a hit and miss proposition," said Hornbuckle. "In our highly complex life a capable law enforcement officer must have the specialized training, experience and skill that permit him to cope with any situation."

Boundaries Protested At Incorporation Hearing

Although protestants at the Supervisors' incorporation boundary hearing said they had nothing against incorporation for Campbell proper they had plenty to say about their own particular areas being included.

Supervisors listened to Norman Stoner urge the omission of Budd Ave. from the boundaries; and Roy Stoner pleading the desire of Union Ave. residents to be left out of the incorporated area.

Mrs. Mary Jane Hargis presented a petition from Hamilton Ave. residents asking to stay out of the proposed boundaries and Col. James McBride called forth an amused laugh from spectators when he offered to take his "supporters" home righ then if the Supervisors would give their word that his area would be omitted.

Richard Morton, attorney for the Campbell Taxpayers Associ-'ation, pointed out the advantages of the originally proposed boundaries in that they were more or less natural ones and encompass enough territory to adequately support an incorporated city. He said that, in speaking for the Taxpayers, he would not affirmatively argue for the southern area which boundary would have to be changed anywoy since it interfered with an assembly district.

Speaking at the hearing in favor of the boundaries and supporting Morton's statements were William Wolff and Joseph Gomes. Gomes, a Hamilton Ave. rancher who has been located in his present site since 1911, said that the growth of the area has made for more and more problems calling for self-government and that the incorporated area should be neither too small nor too large. "The present proposed boundaries would make for an efficient town," he said.

At the motion of Joseph McKinnon, supervisor for this district, the hearing was adjourned for two weeks at the same time, 2:30 p. m., during which time signatures on the petitions turned in by the objectors will be checked.

Latest donation to the incorporation fund is from Byron Botts of Botts' Garage who has contributed $20.

Bill Young Speaks To Taxpayers Assn.

William Young, veteran, FBI graduate and expert criminologist, gave an interesting talk at the Tuesday evening meeting of the Campbell Taxpayers' Association. Although his audience was small, Young spoke with enthusiasm and authority.

He discussed causes of juvenile delinquency and possible cures, among them a co-ordinated youth group in our own locality. In his opinion, the Thora Chamberlin kidnapping could never have happened had we had a well-organized and efficient police department for McMonigle would have been immediately "spotted" as a stranger during the hours he was in Campbell before the kidnapping.

Young stated that the present statistics indicate there should be one policeman on 24 hour duty for each 1000 people. He stressed the fact that in the event of incorporation, every effort should be made to get policemen who are well versed in every phase of police work in order that they may offer a versatile service.

Following Young's talk, members held a general discussion, and Richard Morton, attorney for the group, stated that members should immediately ascertain the assessed valuation of the proposed districts in order that a complete proposed budget may be drawn up.

Campbell Visitor Dies On Trip Home

Mrs. Cecil Menard received the sad news Monday that her father, William McKinsey, had dropped dead that morning in Los Angeles. McKinsey and his wife were en route to their East St. Louis home following a two-weeks visit in Campbell with their daughter, her husband and the Charles Menards.

McKinsey was boarding the train and collapsed before the train started. Mr. and Mrs. Cecil Menard left immediately for Los Angeles and Mrs. Menard will accompany her mother and the body to East St. Louis where the funeral rites will be conducted.

$95,300 DAMAGES ASKED FOR CRASH INJURIES

Damages totaling $95,300 for injuries his two children and wife suffered in an auto crash Oct. 5 at Stevens Creek and Winchester Roads, were asked in two suits Walter W. Williams filed in Supericr Court recently.

Defendants are Julian and J. D. Brewer.

Williams asked $300 for damages to his auto; $35,000 for injuries of his wife, Hazel; $50,000 for hurts of Ray Williams, 13, and $10,000 for damages sustained by Roland Williams, 15.

The Williams are represented by Attorneys James F. Boccardo and Edwin Williams.

REFEREES FIGHT

Charlie Rose made a quick trip to Salinas last week to referee a fight there.

Legion Post Files Incorporation Papers

The Campbell American Legion Post No. 596 has been incorporated and certified copies of the articles of incorporation have been issued by Frank M. Jordan, Secretary of State, and filed with the County Clerk of Santa Clara County.

The post has been incorporated for the following purposes:

To uphold and defend the Constitution of the United States.

To maintain law and order.

To preserve the memories and incidents of our association in the Great War.

To combat autocracy.

To safeguard and transmit to posterity the principles of Justice, Freedom and Democracy.

To create a spirit of fraternity among its members.

To promote peace and good will on earth.

Directors are Alvin R. Carter, James Peer, John P. Smith, James Malone, Wilbur Mitchell, Howard Smith and Clarence Fagalde.

Martin S. Walsh acted as attorney for the Post in the incorporation proceedings.

Tax Rate Set For School Bonds

An increase of approximately $1,250,000 in assessed valuation over last year in the Campbell Elementary School District has resulted in a tax rate for 1946 of 26.2 cents for the elementary school bonds.

At the time the bond issue was voted a tax rate of 35 cents was indicated.

The large increase in assessed valuation also shows plainly the growth of the area and, with the ddition of industrial zoning to Campbell, points the trend of even larger growth.

CONGREGATIONALISTS TO OBSERVE LAYMEN'S SUNDAY

Laymen's Sunday will be observed next Sunday morning at the Congregational Church. Last year over two thousand Protestant churches observed Laymen's Sunday, which is sponsored by the interdenominational "L a y men's Movement for a Christian World". Klaude Block is chairman of the committee which has planned the morning service. Laymen will be in charge of the entire worship service. In place of the sermon by the pastor there will be two laymen's talks — "Essentials of Christian Living", by Klaude Block and "The Layman's Task" by Theodore Cutting.

Other men participating in the service are Walter Stray, Howard Smith, Frank Cutting, and Fred James. The vocal soloist will be Lloyd Nelson.

Mickey Carter Speaks At Kiwanis Luncheon

At the Kiwanis meeting, Oct. 15, Mickey Carter, San Jose importer, gave an interesting talk on life in Guatemala, illustrated with color slides. Very few Indian women's faces or those of infants were seen in the pictures as Mr. Carter stated that superstition kept them from allowing pictures to be taken. Pictures showed an abundance of beautiful flowers including many varieties of orchids which Carter said were to be found everywhere.

Mr. Carter has many pictures taken in Peru and it i s hoped that the club can arrange to see them at some future date.

Guests of the club were Ted Robison, Boy Scout executive from San Jose, and Patricia Ralston, vice-president of the Campbell Union High School student body.

Bill Capener was a visitor from the Los Gatos club.

CAMPBELL MEN MADE DIRECTORS

Named as two of the 32 directors for the County Farm Bureau are Frank Steindorf and Warren Knowles, both of Campbell.

EDITORIAL

The first hearing on the proposed incorporation boundaries has caused a great hue and cry. It is only to be expected that some changes would be made in the boundaries and that many residents would petition the Board for omission from the district. Many of the areas pleading to be left out are also petitioning for fire protection, one of the benefits of an incorporated area, but do not wish to assume the responsibilities of being a part of a municipality.

A rather delicate decision confronts the Supervisors. With a finger on the voter's pulse, it will be difficult to grant one group's petition and deny another; while if they accede to all demands, cutting the proposed area down to a minimum, they will face the charge that they did not give advocates of incorporation a fair chance by letting them have an area sizable enough for adequate support.

Perhaps they will find a Solomon-like way to make their decision—and in the meantime it behooves the Taxpayers' Assciation and the Chamber of Commerce, backers of the move, to present a realistic approach, termed in dollars and cents, so that voters in the election may decide as a result of well-informed knowledge of the subject and not from an emotional "for" or "agin" attitude.

FAR EASTERN REPORT

Here's what members of the Mouse military affairs committee reported to General Eisenhower, following their return from an inspection of our military bases in the Far East.

1. Morale of our Far East occupational troops is being endangered by the army's delay in sending wives and families to officers and enlisted men.

2. The army is doing little to set up facilities for the proper housing of army wives and children who want to join the troops. On Okinawa, for instance, surplus army stoves and plumbing supplies—badly needed in quonset huts where army families will be housed—have been sold to the Chinese.

3. Another demoralizing factor is the shortage of cigarettes, fresh fruit and vegetables.

Eisenhower promised to look into these facts immediately.

Congressmen asserted that an estimated 350 Jap soldiers are still at large on the island of Okinawa, living a Robinson Crusoe existence in the hills. American authorities are not seriously troubled. . . . A lone Jap fugitive was picked up a couple of months ago on Saipan, after having been at large for over a year. When asked where he had been getting water on the very dry portion of the island to which he had been confined, the Nip replied that he had gone at night to a large house in an isolated sector, drinking from the tap and filling his canteen. The home was that of the American commander.

The returnned congressmen are worried that lower ranking commissioned officers are "taking the Japs to their hearts." Congressmen fear that many occupation officers have forgotten that the Japs were our enemies only a year ago. Japs, the congressmen say, have not forgotten their dead, but some of our men have forgotten the Americans who died battling these same Japs.

One of MacArthur's difficulties is the great shortage of Jap-American interpreters. Result: In Japanese towns without any interpreter reports on conditions, written by Jap authorities, are sent to U. S. headquarters as official reports.

Plans to recruit 50,000 Filipinos for our army have fallen through because of lack of money. The present goal is 35,000, with the training now under way.

Worst areas in the Pacific for troop morale are Korea and the Aleutians. Korea is the center of political intrigue and, because it is at the end of the supply lines, the food server our troops is hardly better than field rations. In the bare, treeless Aleutians, the big wish of U. S. troops is for a 12-month rotation system. They now are sent on a two-year hitch with scant chance to get back to the comparative gayety of Alaska.

STALIN'S WAR OF NERVES

Most interesting fact about Stalin's recent widely broadcast and widely-hailed-as-conciliatory statements to a London newsman is the date. The date was September 24.

For on exactly the same day Stalin was telling the world that there was no danger of another war, he was sending a note to Turkey which sang another tune.

The note to Turkey was not made public until four days later. Thus Stalin publicly put fears to rest, while simultaneously warning Turkey that she must yield to Russia on the Dardanelles and that she must permit Russian troops on Turkish soil. If not, the implied threat was war.

Thus, despite Stalin's attempt to woo the world, his aims remain exactly the same Furthermore, they remain exactly the same as those of the czars before him. Finally, they remain today, with his allies, exactly the same as with his old sparring partner, Hitler.

For, in 1940, when Russia and Germany were under a non-aggression pact, the same Molotov now dickering in Paris went to Berlin to dicker with Ribbentrop for terms under which Russia would come into the war against England. The terms Molotov wanted were the Dardanelles, Iran, Iraq, the Balkans and the mouth of the Red Sea. Hitler wouldn't give these terms, and Russia finally forced into the war on the side of the Allies, not against them.

Now that the war is over. Stalin and Molotov are right back where they were in 1940—trying to get the Dardanelles and other long-range Russian objectives.

CHOIRS REHEARSING

The two younger choirs of the Methodist Church are rehearsing under the direction of Mrs. Ruth N. Stoner, the church's minister of music, for public appearances in the 11 o'clock Sunday worship period. The Carol Choir, which rehearses on Thursdays at 4 p. m., will appear first on Oct. 20, with an anthem, while the Carolette Choir will sing on Nov. 3.

Each Sunday morning the two children's choirs and the adult choir will join in the processional hym. The Carolette Choir will leave the worship service at 11:30 to have a missionary study in another part of the church building. Children may enroll in the choirs any time before Oct. 20.

Campbell High PTA Endorses School Measure

At the Oct. 9 regular PTA meeting the Campbell Union High School PTA went on record as giving its support to the public school measure, Proposition No. 3, on the November ballot. Following is the complete resolution:

"Whereas, there is an alarming scarcity of public school teachers in California, and

"Whereas, influx of population and high birthrate of the war years make it certain that enrollment in elementary schools of the State will double in from five to eight years, making even more critical the present shortage of teachers, and

"Whereas, the number of young men and women in training for careers as teachers is at an all-time low, due to higher salaries available in other lines of work, and

"Whereas, to meet the demands of increased enrollment and to replace retiring teachers California must find 40,000 new teachers in the next eight years or face virtual collapse of the educational system in the State, and

"Whereas, local taxpayers cannot bear the additional burden necessary to provide adequate school finnace to avert the crisis, and

"Whereas, there will appear on the ballot at the general election in November a proposed constitutional amendment designatted as Proposition Number 3, and

"Whereas, this proposed amendment provides for a minimum salary of $2400 a year for full-time teachers and for State support of public schools on a basis of $120 per year per pupil from the kindergarten through junior college,

"Now therefore be it resolved that the Campbell Union High Schol PTA endorse Proposition Number 3 and urge its approval by the people of the State."

Grammar School Notes

Assemblies were held for all grades at which Miss Wagner told of the work being done by the Junior Red Cross in the schools of Santa Clara County. Our school will help in making some of the articles needed in the hospitals and for children in foreign countries.

Our school enrollment is now 1,506. We have six first grades and we hope to have another kindergarten started next week. The Scout hall is being fixed so the two fifth grade classes can meet there. This will give room for the new kindergarten and first grade.

Mrs. Corbin's class is going to put on a play called "The Witch Returns". Dick Lewis plays the part of the witch. Jerry Zisch plays the part of the kettle.

Her class is studying about California. The class is going to study about the early missions and the early explorers.

—Harry Bowen, High 8th.

Miss White is giving a reading test to the fourth, fifth and sixth grades to find the pupils who need help in reading. Those that need help are sent to Miss White's room in groups of six to eight for about a half hour. She has about fifty to sixty pupils in all. This work has been going on for two weeks, and she is going on with it all term. We can be sure Miss White is doing a grand job.

—Betty Callaway, High 8th.

Miss Berges' low first grade children have learned to recognize 15 words. They have read the story of "Dick Liked to Play with Jane and Sally". Now they are learning how to make things with clay. Their teacher read them a story about "Babar, the Elephant". Beatrice La Rue, one of the students, made Babar out of clay. Another student, Vivianne Lukehart, made a horse, which was also very good. The children have been learning how to recognize three different colors, blue, red, and green. They have learned how to count up to three, and are learning which number is more and which is less.

The class room is run entirely by the students. There is a student in charge of the tables, and one in charge of the door, called a policeman. There is one in charge of doing all the errands and leading the flag in military order. These officers are changed once a week.

This room has a postoffice in which the students deposit their daily papers. Each child has his separate box. At the end of each week the students put their own papers together as a booklet.

I think the first grade is doing very well for only being in school four weeks.

—Marie Ratledge, Low 8th.

Mr. Tindall of Campbell Grammar School has started an Elementary Soccer League. In this league there are nine teams, each team having twelve players. The names of these twelve teams and their captains are: Woodpeckers, Richard Hervin; Hawks, Ray Miranda; Bears, Richard Rice; Eagles, Steve Stephenson; Wildcats, Clarence Gray; Deers, Herbert Whitaker; Raccoons, Bobby Callaway; Beavers, Don Countryman; Jays, Don Call.

Miss Brehmer's seventh grade have been studying and writing reports on the explorers. They have a big world map at the back of the room. They have some of the best reports by the map.

—James Wagner, Low 8th.

Mrs. Kamrar's low third grade is looking forward to an interesting lesson in geography. They are going to take a make-believe trip around the world. They will compare our country to the others of the world.

They will make maps and write stories as they study the different countries and display the best ones. Mrs. Kamrar plans to make a border of pictures for the room.

Mr. Henley says that the money from the bonds for the new schools has arrived that were voted on last May.

The kindergarten will soon start a second morning class. Parents of the children on the waiting list will be notified.

—Verna Jean Miller, Low 8th.

* * *

There are 39 children in Mrs. McDiarmid's first grade class.

They are learning to count to three and tell the difference between red, orange and yellow. They are learning how to make up stories about Tim, Sally, Dick, and Jane.

The high fifth grade now has Miss Beverly Smith as a student teacher. Miss Smith expects to graduate from the San Jose State in June.

Letter to the Editor

A FEW THOUGHTS ON INCORPORATION

Dear Editor:

When we see the difficulties California cities are having in raising funds upon which to operate it would seem that Campbell is quite fortunate in not having this burden of city government to carry. Many cities already have local sales taxes and other special assessments in addition to the maximum of property taxes allowed by law. Our largest neighbor, San Jose, is having financial troubles and is trying to find ways to collect more tax money. Some of our smaller neighbors have increased assessed valuations very materially and so added to collections under the regular property tax.

It is foolish to argue that city government will not add to our taxes. The question is, will city government be worth the cost. What would we get for a very material increase in our taxes? No doubt one of the things would be a "headache".

There is no crying need for incorporation as we already have the essential services at a minimum of cost. A dog catcher could clean up some situations for us, but even this service may be assumed by the County!

Without going into detail as to the financial risks involved in incorporation it might be mentioned that one heavy rain could cause our creek to do damage beyond the ability of a small city to pay for without serious and sad results.

Why not keep building our community without assuming this added burden of local taxes?

KARL BOHNETT.

CAMPBELL'S OWN CONCERN

Dear Editor:

To the citizens of what may be considered Campbell proper and with all due respect and regards to the wonderful job some members of the Campbell Tax League has been doing, but after the Supervisor's Board meeting of Monday, October 14, there have been several very vital important facts that should be considered at this time whether we even want to vote on incorporating at this time.

1. Triple costs for everything we even MUST do.
2. The hardships other cities are having at this time to maintain a balanced budget (even to anticipating city sales tax).
3. The burden of the Campbell Creek which would be wished upon us(and there has been several thousands of dollars spent on its proper maintenance even in the last ten years).
4. Last but not least, with all the outlying areas, i. e., the Budd Avenue group, the Union Avenue group, the Hamilton Avenue group and the west side of Winchester group, absolutely refusing to be a part of the boundaries.

The remaining residents would be accepting a tremendous burden at this time.

O. C. JENSEN.

Vote For Progress!

When in 1939 Judge John D. Blaine led the way back to adult use of the bicycle, this community was somewhat startled. But in two years the bicycle for adults was an approved style, recognized as convenient and sensible.

Some years before 1939 the judge was advocating and practicing special consideration for social problems of teen-age youth. Today Youth Centers under various names are spreading consideration for social problems of teen-agers over the land.

The judge now has another advanced idea. It is a special court for youths of college age, over 17 and under 25. This State has a special court for juveniles, but the judge believes that a court for young and highly formative adults is just as important. To deal with them along with old and hardened criminals is not the best method.

Pending an organization of a college-age court Judge Blaine gives young adults special consideration himself. More than one Campbell parent has had occasion to thank the judge for tactful dealing with a college-age son.

These examples suggest that Judge Blaine thinks ahead. A vote for him is very definitely a vote for community progress.

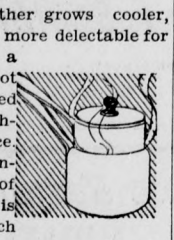
Fruit Puddings Are in Tune With the Times

(See Recipes Below)

PUDDINGS AND SAUCES

As the weather grows cooler, there's nothing more delectable for dessert than a steaming hot pudding served with a mouth-watering sauce. And as for economy, the base of the pudding is frequently such an inexpensive item as bread crumbs or cereal.



economy.

Whats more, puddin'g are usually chock-full of eggs and milk, dried fruits or such that make them healthful eating. If you're preparing an oven dinner and want to save heat, cook your pudding right along with the rest of the dinner.

Puddings use less sugar than most other desserts like cakes and ice cream, and this, too, makes them ideal for menu purposes. If you have spent more than your share of sugar on canning, try some of these suggestions for real

MARMALADE PUDDING

(Serves 6)

p soft bread crumbs
1 cup flour
3 teaspoons baking powder
1 cup ground suet
1/3 cup sugar
1 cup orange marmalade
3 eggs, well beaten
¼ teaspoon salt
1 cup milk

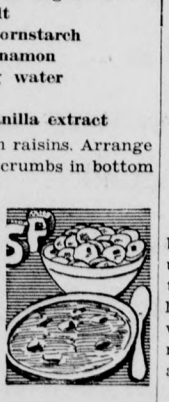
Sift flour, measure and add baking powder and salt. Combine crumbs, suet, sugar, eggs, marmalade and milk. Add dry ingredients. Mix thoroughly and fill well oiled pudding molds 2/3 full. Cover and steam for 3 hours. Serve hot with any desired sauce.

***CRUSTY RAISIN PUDDING**

(Serves 6 to 8)

1½ cups seedless raisins
6 cups slightly toasted bread cubes
3 cups chopped cooking apples
1 cup chopped walnut meats
1 cup granulated sugar
¼ teaspoon salt
1 tablespoon cornstarch
1 teaspoon cinnamon
2 cups boiling water
¼ cup butter
2 teaspoons vanilla extract

Rinse and drain raisins. Arrange a layer of bread crumbs in bottom of buttered baking dish. Add a layer of raisins, a layer of apples and a sprinkling of nutmeats. Add another layer of bread cubes and alternating layers of other ingredients until dish is full. Combine sugar, salt, cornstarch, cinnamon, boiling water and butter and cook 3 to 4 minutes, stirring constantly until mixture is slightly thickened. Remove from heat, add vanilla and pour mixture over the pudding. Cover and bake in a moderate (350-degree) oven for 1¼ hours, depending upon depth of baking dish. Remove cover from dish during last 15 minutes of baking. Serve with *Ice Cream Sauce if desired:



2 eggs, separated
2/3 cup confectioners' sugar
¼ teaspoon salt
1 teaspoon vanilla
¼ cup cream, whipped

Separate eggs. Beat yolks until thick and lemon-colored. Add one-half of sugar gradually, beating well until thoroughly blended. Add salt and vanilla. Beat egg whites until stiff and fold in remaining sugar. Combine two egg mixtures and fold in stiffly beaten whipped cream. Serve very cold. If sauce is allowed to stand, beat again before serving.

PEANUT BRITTLE APPLES

(Serves 6)

6 large tart apples
¾ pound peanut brittle, ground fine
4 tablespoons lemon juice

Peel and core apples; cut in thin slices. Place a layer of apples in buttered baking dish, cover with peanut brittle, then apples again and peanut brittle until all are used. Sprinkle lemon juice over last layers of apples. Bake in a moderate oven for 1 hour, then serve hot or cold.

CARAMEL PUDDING

(Serves 6)

4 cups scalded milk
1 teaspoon butter
2 eggs
¾ cup sugar
2 cups soft bread crumbs
1 cup caramelized sugar

Make caramelized sugar by allowing one cup sugar to melt slowly in heavy skillet, turning constantly. Add bread crumbs to caramelized sugar, milk, butter and beaten eggs and let stand for 1 hour. Add sugar and pour mixture into buttered custard cups and bake in a pan of hot water in a moderate (350-degree) over for 25 to 30 minutes or until firm.

Sauces enhance puddings and take but a little time to prepare. Here's a sauce for every type of pudding:

FOAMY SAUCE

6 tablespoons butter or substitute
2 tablespoons boiling water
1 cup powdered sugar
1 teaspoon vanilla
¼ teaspoon salt
3 eggs

Cream butter, add sugar slowly, beating constantly. Beat egg yolks until thick and add to first mixture. Add water and salt and stiffly beaten whites. Cook over hot water, stirring constantly for 5 minutes. Add flavoring and serve at once.

LEMON MOLASSES SAUCE

1 cup molasses
2 tablespoons butter
1/3 cup lemon juice

Heat molasses to boiling point, stirring constantly. Add butter and boil 1 minute. Add lemon juice and mix thoroughly. Serve with fruit puddings.

ORANGE OR VANILLA SAUCE

1 cup sugar
2 tablespoons flour
1 orange, rind and juice
2 cups boiling water
2 tablespoons butter
¼ teaspoon salt

Combine sugar, salt and flour. Add water slowly, stirring constantly. Cook in double boiler, stirring frequently for 8 minutes. Add orange juice, rind and butter. Stir until blended. For vanilla sauce, use 1 teaspoon vanilla in place of orange juice and rind. This is good for fruit puddings.

Home From Islands

Mrs. Sophie Miranda, Campbell Ave., and Mrs. Olivia Miranda, Foote Ave., returned to Campbell last week after three months spent in the Hawaiian Islands. The voyage was made aboard the S. S. Matsonia and during their sojourn there they visited by air all of the islands.

In Honolulu Mrs. Sophie Miranda was the guest of her late husband's parents, Mr. and Mrs. M. Miranda, and her companion visited her son, Wallace Miranda, who is stationed in the Islands while with the U. S. Army.

This was not the first time Mrs. Sophie Miranda has seen the Islands for she was born there and lived there until she was 13. She says that now, 20 years later, she finds it much changed, but as beautiful as ever, and the famous Hawaiian hospitality even better than remembered.

SPENDS DAY IN SAN FRANCISCO

Mrs. Eva Grattan spent a day last week in San Francisco.

NOW IN INDIO

Mrs. Ray Mathis has returned to Indio in the hope that the warmer climate will benefit her poor health. She was accompanied by her husband who will fly back to Campbell.

ATTENDS OAKLAND CONVENTION

Mrs. Annamae Pereira, accompanied by Mrs. Margery Griffith, attended the convention of the United Association of Registered Cosmotologists held last weekend in Oakland.

LEAVES FOR CHICAGO

Mrs. James McBride has left Campbell for a visit with friends and relatives in Chicago.

MAKES TRIP TO LOS ANGELES

The Jack Leach family made a hurried trip to Los Angeles last week.

DAUGHTER BORN

Mr. and Mrs. John Arcoette are the parents of a baby girl born Oct. 5. She has been named Tanya Marie.

Legion Auxiliary Meets

Wednesday night, Oct. 7, the Campbell American Legion Auxiliary met for a short business meeting. Mrs. John Morley reconsidered her resignation as first vice-president, and will continue with the position much to the satisfaction of all. Verna Bonds was elected as unit marshal.

Two guests from Ohio were introduced by Mrs. Irma Reese: Mrs. A. Stevens of Toledo, and Mrs. Elsie H. Downs of Waterville, Ohio. Both had come West to the American Legion convention in San Francisco.

After the meeting the Legion joined the Auxiliary in viewing the moving picture, "Appointment in Tokyo."

The next meeting will be Oct. 23, with a pot luck dinner at 6:30 p. m. for members of the Legion and the Legion Auxiliary.

MR. AND MRS. J. L. BARBER RETURN FROM EXTENDED TRIP

After a visit in Sacramento with Mr. Barber's sons, Mr. and Mrs. L. J. Barber visited Cedarville and Eagleville, formerly called Barberville after Mr. Barber, and then camped near the summit of Eagle Peake in Modoc County. Before returning home they stayed at Home Camp in Nevada where Mr. Barber's son, Kennth, is in charge of the range for the six largest cattle companies in the West.

POPULAR VISITOR

A popular Campbell visitor is Mrs. William Canfield of Glen Elyn, Ill., daughter of the late Mrs. Lillian Voge. Mrs. Canfield came West during her mother's illness and is remaining for a short time. She and her three children, David, Betsey and Barbara, spent last week in Santa Cruz. Her aunt, Mrs. Stanley Smith, is entertaining in her honor this week.

WEST BAY GROUP TO MEET HERE

This coming Monday evening the Westbay Pilgrim Fellowship cabinet will meet at the Congregational Church. This group plans the rallys and organizes the program for the Congregational young peoples' groups between Santa Cruz and San Francisco. Young people will be in attendance from several churches. Margaret Currie of Campbell, is secretary-treasurer of the Westbay Cabinet, and the Rev. Benton Gaskell of San Mateo is the advisor.

RECOVERING FROM OPERATION

Mrs. Walter Stray is recuperating from a recent tonsilectomy undergone at the St. Helena Sanitarium in Napa County.

Engagement Revealed

Of interest to their many friends is the announcement of the engagement of Miss Lou Ethel McGowan, daughter of Mr. and Mrs. O. A. McGowan, to Leslie "Gig" Gagliasso, son of Mr. and Mrs. Charles Gagliasso. The future bride is attending Campbell Union High School and the prospective bridegroom is employed by the Campbell Taxi Co. Next fall is the time tentatively set for the wedding.

POCAHONTAS COUNCIL MAKES MANY PLANS

With Sharon Parker, Pocahontas, presiding, Ne-Tops Council, Degree of Pocahontas, convened on Friday night, Oct. 11, at 8 o'clock in the IOOF Hall. Irene Hodges was appointed chairman of the committee to arrange a dinner for the representative meeting that is going to be held in November. Since this is one of "the" events in the Pocahontas Council, members are loking forward to it with great anticipation.

The annual Christmas party was discussed, and Mary Gray was appointed chairman of the committee. It was agreed to have a potluck supper the night of the party, and many interesting things are being planned for the enjoyment of the children.

Members were asked to attend the sewing night at the home of Blanche Gilpatrick, 340 W. Campbell Ave., Thursday night, Oct. 17.

Following the meeting the drill team went on the floor for practice under the leadership of Brother Jim White, assisted very ably by Sister White, both of Zanetta Council of Los Gatos. There were many aching feet when the drill was ended, but the team is beginning to really take shape.

Refreshments were a welcome sight to the members at the close of practice.

SEE WORLD SERIES

Mr. and Mrs. Joe Walden returned Sunday from St. Louis, Missouri, enthusiastic over witnessing the World Series there. Mrs. Walden is the former Miss Viola Spragia, daughter of Mr. and Mrs. Peter Spragia.

BIRTHDAY HONORED

Mrs. Lavinia Grattan entertained in her outdoor living room last Sunday evening in honor of her daughter-in-law, Mrs. Eva Grattan who celebrates her birthday this week. Those attending were Mr. and Mrs. Ralph Grattan and family of San Jose, Henry Grattan of Campbell, Mrs. Nora Horn, Lowell, Virginia and Eva Grattan.

WEEKENDS IN GILROY

Mrs. Barton Wood spent last weekend in Gilroy visiting her son, Robin. She is now back at home on Sunnyside Ave.

DRAMA STUDENTS CHOOSE FIRST PLAY

The Speech and Drama Department of San Jose State College chose the cast which will appear in the department's opening production, "The Duchess of Malfi", an exciting blood and thunder Elizabethan tragedy to be presented in the College Little Theater, Nov. 7, 8 and 9.

Ruth Jensky, chosen as one of the campus queens last spring, will play the title role. Supporting her will be Patricia Kimmick, Edna Wheeler, Elda Beth Payne, Diane Avery, Dorothy Lyon, Yvonne Azevedo, Joseph Johnson, Harry Kent, Ivan Van Perre, Robert Barmettler, Arthur Nelson, Gerald Lant, Clifford Roche, Henry Said, Leroy Pera, Del Carlson, Ed Williams, David Manning, Milton Brietzke, John Calderwood, Paul Gormley, John Ickes, and James Spitz.

The play, by John Webster, one of Shakespeare's most brilliant contemporaries, is directed by James Clancy, whose portrayal of "Hamlet" is still the high mark in the department's productions of the classics.

Art Director, Wendell Johnson, is designing colorful settings with the height and sweeping grace of the Italian renaissance to match the dramatic power and intensity of the play.

"The Duchess of Malfi" will be followed by a production of F. Hugh Herbert's laugh-provoking comedy, "Kiss and Tell"; Edith Wharton's "Ethan Frome"; Patrick Hamilton's "Angel Street"; Moliere's "The Doctor in Spite of Himself", and a modern comedy.

Mr. and Mrs. William Wolff and their guests, Mr. and Mrs. Norman C. Wolff of Oakland, have chosen Pacific Grove as their vacation spot for the next few days.

FOOTLIGHTERS TO USE BARN

Mrs. Ida Price has given the use of her barn on Dry Creek Road to the Footlighters for meetings and rehearsals. Members are busy moving their equipment to the new location.

FIRST WAR BABIES HIT SCHOOLS

County Superintendent of Schools O. S. Hubbard reports that the first contingent of the tidal wave of one million babies born in California since 1940 has struck the schools of California, and that from statistics now coming in from Santa Clara County it appears that this county will receive its fair share of the total.

County-wide figures for kindergarten enrollments show an increase of 267, or about 20 percent over the enrollment of 1945. Total enrollment this year is 1619 as compared with 1352 a year ago. These figures include San Jose and Palo Alto.

Elementary enrollments on the first day of school this year totaled 12,969. On the corresponding day in 1945 they were 11,471.

High school enrollments were 3,691 as compared with 3,131 last year.

While the increase in elementary and high schools are moderate, indications are they will jump considerably before the end of the first month. Last year the enrollment in the elementary schools at the end of the first month showed an increase of 17 percent over that of the first day. In the high schools the increase was 9 percent. These figures are for all districts exclusive of Palo Alto and San Jose.

At Campbell Union the number of students in 1945 at the elementary school were 1187 and at the kindergarten 100; and in 1946 the enrollment showed in the elementary school are 1345, and at the kindergarten 105.

San Tomas Improvement Club Harvest Festival

"Harvest Festival" was the name of the socially and financially successful event given by the San Tomas Improvement Club last Friday night, at the Fred H. Smith place on San Tomas Road. Games, combined with dancing to the rythmic music of Cliff Prays orchestra, made a gay evening for 200 or more guests.

Grand prize was a scene of Yosemite painted in oil by H. G. Blohm and donated by him to the club. Mrs. D. R. Given was the recipient, and she was especially appreciative because she already has two lovely original paintings gracing her home.

The festival is probably the last big outdoor affair of the season for this group but they plan a bigger and better one for next summer.

ORCHARD CITY GRANGE MEETS

The meeting of Orchard City Grange Tuesday evening, Oct. 8 was of unusual interest. Hans Hansen of Campbell gave a talk on his visit to Denmark. The charter was draped for Mr. S. N. Hedegard at which service David Rutherford sang the Lord's Prayer.

The Grange went on record favoring Amendments No. 3, but against Nos. 13 and 2.

Refreshments were served by Mr. and Mrs. Herbert Shadle and Mr. and Mrs. David Rutherford.

Next meeting will be held Tuesday evening, Oct. 22 in IOOF Hall in Campbell. There will be an able speaker informing members of the various amendments, reports of the State convention, and music by students of Campbell Union High School.

SON BORN TO HUMMELS

Mr. and Mrs. John C. Hummel, 57 N. First St., are receiving felicitations on the arrival of their first child, a son, born Sept. 26 at O'Connor Sanitarium. The young man has been named Douglas Lee.

Grandparents of the new arrival are Mr. and Mrs. R. B. Hummel, Union Ave., and Dr. and Mrs. M. A. Swaney of South Mountain, Pennsylvania.

SIGMAS TO MEET

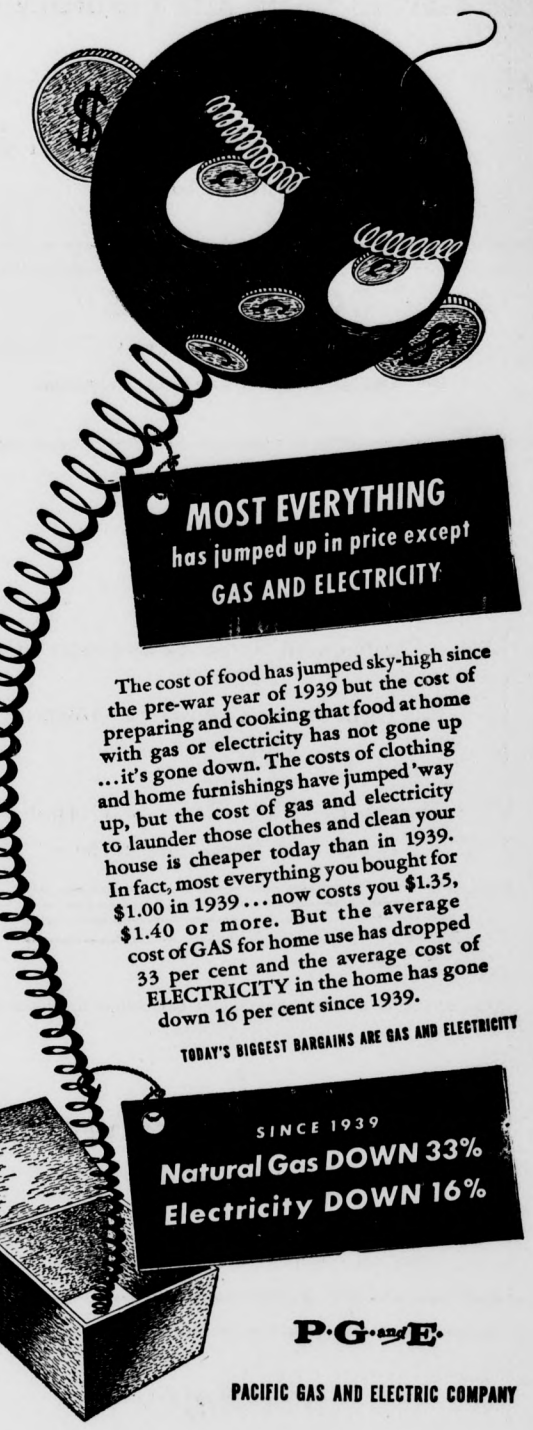
On Tuesday, Oct. 22, the Sigma group will hold its next meeting at the home of Mrs. Beth Dalzell, 123 Poplar Drive. Mrs. Elizabeth Ribble will be co-hostess.

Plans for the coming bazaar will be discussed and new ideas will be welcomed.

FIRST AID CLASSES TO START

Evening classes in standard and advanced First Aid for those in the Campbell-Santa Clara area will begin in the very near future, according to present plans of Leonard M. Scroggins, newly appointed director of First Aid, Water Safety and Accident Prevention for the San Jose Chapter American Red Cross. Scroggins' territory includes the Chapter branches, Santa Clara, Cupertino, Campbell, Sunnyvale, Mt. Hamilton and Morgan Hill.

Scroggins joined the Pacific Area Red Cross staff in 1945. A graduate of the University of Oregon, he was a member of the undefeated swim team for four years and instructor in Water Safety and First Aid. He returned a fortnight ago from Wakulla Springs, where 75 field representatives underwent specialized training for community service under Red Cross sponsorship.



The cost of food has jumped sky-high since the pre-war year of 1939 but the cost of preparing and cooking that food at home with gas or electricity has not gone up ...it's gone down. The costs of clothing and home furnishings have jumped 'way up, but the cost of gas and electricity to launder those clothes and clean your house is cheaper today than in 1939. In fact, most everything you bought for $1.00 in 1939 ... now costs you $1.35, $1.40 or more. But the average cost of GAS for home use has dropped 33 per cent and the average cost of ELECTRICITY in the home has gone down 16 per cent since 1939.

New Staff On School Paper

These are the boys and girls who will edit the new, tabloid sized Campbell High School "Campus Echo."

Anthony Zeppa is serving as editor, with Ruth Justice as assistant editor. She also writes a column for the front page of the paper called "Round the Campus".

The new enlarged issue which made its first appearance last Friday, now ranks both in attractive make-up and editorial content with the best school papers in the county.

George Egling, new Campbell teacher, whose hobby is photography, has volunteered his assistance to the paper and the many interesting pictures, some of which are reproduced in this week's Press, add greatly to the paper.

Mrs. Louise Tordt, journalism instructor, is advisor for the paper.

STUDENTS TO ATTEND RETREAT

This coming Saturday and Sunday the Pilgrim Fellowship, the Congregational young peoples' group, is to be at Monte Toyon for a two-day retreat. Approximately twenty-five high school students are expected to attend. A weekend of study, worship, swimming at the beach, and planning the year's program is planned. Accompanying the group to Monte Toyon will be Miss Dorothy Merriman, the advisor, Miss Hancie Taylor, Mr. and Mrs. Klaude Block, and Rev. Robert Carlson. Mr. Charles Palmerlee of the Watsonville YMCA will lead one of the discussion groups. The officers of the Pilgrim Fellowship are: Margaret Currie, president; Dick Metz, vice-president; Jeanne Currie, secretary; Jean Jensen, treasurer.

THREE METHODIST CHOIRS TO SING TOGETHER

The three choirs of the Methodist Church will march in the processional hymn next Sunday morning at the 11 o'clock service. The Carolette choir, the Carol choir, and the Adult Chancel choir will song together in "Holy, Holy, Holy". The Carol choir, under the direction of the Minister of Music, Mrs. Ruth N. Stoner, will sing the anthem.

ALUMNI URGED TO CONTACT DIRECTOR

Former California Polytechnic College students now residing in Campbell, are being requested by the college's alumni office to contact their district director, Eddie Jooch, High School, Sunnyvale, Calif., or write the college for reservations for the 1946 annual Homecoming, Oct. 25, 26, and 27.

The impossibility of keeping accurate mailing addresses of alumni members in the armed services during the war makes it imperative that all former students of the State Agricultural and Industrial College send the alumni office at the college their present address, it was announced by Avalyn Jacobsen, '29, San Luis Obispo, president.

Feature attractions of the Homecoming celebration, which is dedicated to the classes of 1906, 1916, 1926, 1936 and 1946, will be the Oct. 26 night fotball game between the Cal Poly Mustangs and the Whittier College Poets.

STOPPING DISTANCE

At 50 miles per hour an automobile equipped with good brakes requires more than 150 feet to stop, which is approximately half a city block. "Take It Easy" when approaching intersections or potential danger points and avoid accidents, the California State Automobile Association urges.

At one time Death Valley was occupied by a large lake, long since evaporated.

CAMPBELL HIGH PTA CONVENES FOR THE FIRST MEETING OF THE YEAR

"As a Parent-Teacher Association, there are three things you can do to help us put legislative proposition No. 3 across: 1. Provide speakers, if necessary; 2. thoroughly acquaint yourself with the proposition that you may be able to explain it when questioned; 3. Get out and vote," said Superintendent Laurance J. Hill as he addressed the members of the Campbell High School PTA unit at their first regular meeting on Oct. 9. The unit went on record as favoring proposition No. 3, and opposing No. 13, following the plan of action taken by the California State Board of the Parent-Teacher Association and the Sixth District PTA, for the betterment of schools, education, and child welfare.

Mrs. Rex Fuller, insipirational chairman, introduced the student program consisting of a song by Mildred Weeks, a piano solo by Lorraine Wood, and a flute solo by Katherine Fuller.

President, Mrs. Raymond Flagg, presiding over the regular business session, gave cordial greeting to all, and called upon her chairmen for reports. Superintendent L. J. Hill introduced his faculty members.

Program chairman, Mrs. Alfred Weltz, presented the year's program, using as her theme "Understanding—Together We Build", adopted from the State PTA program. "Together we build; the home, the school, and the child, should be taken literally by the unit members," suggested Mrs. Weltz in closing.

A $10 award to the student class bringing in the most members, the award to be based on a percentage basis, will be included in the forthcoming membership drive program, as explained by Mrs. Stanley Smith, the membership chairman.

Mrs. R. L. Allinger, finance chairman, proposed a paper drive, and a one-day rummage sale. The date for the paper pickup was set for Monday, Oct. 28. Paper for the drive, and articles for the rummage sale may be brought to the school now. The money from these activities will go toward the unit's project, the Peda-spray machine, which was displayed at the meeting. So enthusiastic were the members toward this much needed disinfecting machine used to control athlete's foot, that a machine for the girls' use was advocated.

Names were taken of those planning to attend the Almaden PTA meeting on Oct. 23 at 8 p. m.

The executive board was hostess for the social hour which followed the business session.

Representing the Campbell High School unit at the Sixth District meeting held in Palo Alto on Oct. 7 were: Mesdames Raymond Flagg, R. J. Allniger, James Gleted, Clarence Fagalde, Anthony Jurras, and J. W. Knokles.

TO ATTEND CONFERENCE

Mrs. C. E. Williams, Mrs. Emily Duncan, Mrs. Thomas Rogers and Rev. Robert Carlson will be in Sacramento Tuesday through Thursday of the coming week representing the Campbell Congregational Church at the State Conference of Congregational Churches. Several hundred delegates from the Congregational Churches of California are expected to attend. Among the notables on the program are Dr. Ronald Bridges, the retiring national moderator; Dr. Albert Palmer, the incoming national moderator; Dr. Fred Brownellee, head of the American Missionary Association, and Dr. Wofford Timmons, Associate Secretary of the General Council of Congregational Churches.

RUMMAGE SALE SCHEDULED

The We and Our Neighbors Club of Los Gatos has planned a rummage sale for Friday and Saturday, Oct. 18 and 19, in the Campbell IOOF Hall. Hours will be from 9 a. m. to 5 p. m.

Spotlight

By Mary Lynne Thompson

Spotlighted this week is one of the more unusual people in Campbell. His name is John Doddridge Blaine, and he was born on Aug. 30, 1874, in Lincoln, Ill.

Mr. Blaine's schooling was unique, for although he went only through the sixth grade, at 19 he started a college course of his own which he continued studying nightly for five years. After he came to California he entered the extension division at the University of California, and was a student in the English department for 12 years. He likes to say his degree is the D.N.S.P. (Degree of No Stopping Place).

When, in 1887, he came to Campbell, there were only two stores in town, a merchandising store and a blacksmith shop. In 1898 he married Alda Swope, a granddaughter of Benjamin Campbell, founder of the community. He started a merchandising store of his own which he ran for 19 years. The father of six children, four girls and two boys, he now has six grandchildren.

In 1922 he was acting as the Campbell district reporter for the Mercury Herald, and through his writing he helped to get the bonds for the Campbell schools passed. 1926 found him leaving his store for a writing career, but an offer of the position of Justice of the Peace which he took early in 1927, interrupted that.

An article, "Doctor Hutchins and I Shudder to Note", was published in the Saturday Evening Post on June 17, 1939. This was in reply to ones published by Dr. Hutchins in the Post about education.

Judge Blaine is an enthusiast about outdoor sports. Until he was 45 he ran footraces. At 25 he started playing tennis and continued until he was 55, when he took up golf. Incidentally, he won three out of the first five golf tournaments he played in. Three years ago he went back to tennis and almost every day about 5 o'clock he can be seen playing on the high school courts.

HEADLIGHT TIP

In rainy weather your car's headlight efficiency can be improved by wiping the lenses with a rag moistened with glycerine, according to the California State Automobile Association. Otherwise, raindrops that are not broken up collect on the lenses and diffuse the normal light. Application of glycerine causes the raindrops to spread evenly over the glass.

"For Jimmie and me

Vote 'YES' on 3!"

Proposition 3 will relieve the teacher famine in California by guaranteeing public school teachers a minimum salary of $2400 a year. *Local taxes will not be increased by this measure. State funds are available for this purpose.*

Two hundred California organizations, including the following, urge you to vote **"YES"** on **3**—Republican and Democratic Parties, American Legion, Veterans of Foreign Wars, Disabled American Veterans, AFL, CIO, Native Daughters and Native Sons, and P-T A.

And remember—when you vote "Yes" on 3, be sure to vote "No" on 13, which would further reduce present inadequate school appropriations.

"Vote YES" on 3!

Campbell Court Notes

By JUDGE BLAINE

One day a traffic officer in bringing a citation explained: "I arrested a problem boy I know for driving without due caution. He was impertinent, and I gave him a good scolding. I know his folks are worried about him. No use to fine him; his father would have to pay. Perhaps the best you can do is to give him another scolding."

The judge looked at the citation. The defendant's age was given as 18. "No, I won't scold this boy. At his age scoldings go in one ear and out both. I'll try giving him a surprise, some real friendly understanding."

The officer laughed. "Well, it's up to you, judge."

With the boy seated in court and the two alone the judge quietly began: "I was a boy myself once. It was in horse nad buggy days, and I rode a bicycle. I thought it fun to scare a horse until it stood on hind legs and almost fell back into the buggy seat. Older folks got mad and I'd laugh. That prank was just one in my sizable assortment."

At this unbending the boy looked amazed. The judge continued: "But at just about your age I decided to grow up. I'd been a prankish boy long enough, and soon it was a lot of fun trying to be a man. I've never been sorry. But some friends who stayed prankish lived to be sorry indeed. The law has patience with boys but not with boyish adults. What was fun before can ruin lives."

After a little more quiet talk in similar vein the judge said, "You have pleaded guilty, and I could send you to jail right now. But I don't want to. Perhaps you'd like to call this incident your turning-point. There's a big demand for responsible young men. What do you think about all this?"

With moist eyes the boy rose and held out his hand. "Judge, I think I've done more real thinking in the last ten minutes that I ever did in all my life before. And I think you'll never hear of me being in a court of law again."

This incident happened several years ago, and according to reports the youth made his word good. He became a different boy; better, a young man. The 18-year-old may seem hard on the surface, but he may prove to be tender and responsive under the skin. The effort to get under his skin won't always work, but sometimes it's worth making.

CANNERY WORKERS ENDORSE FAIR EMPLOYMENT ACT

The endorsement of the Fair Employment Practice Act by the Cannery Workers' Union, AFL Local 679 was announced this week by the secretary-treasurer of the local, Edward Felley.

Though the endorsement has actually just been made, still the ideas of the FEPC have always been upheld by this Union, Felley stated.

"There has never been any union prejudice against color, religion, or nationality," added Felley, "for this reason we wholehaertedly endorsed this movement."

Endorsement by two AFL State councils this week increased AFL support of Proposition 11, the Fair EmploymentPractices Act, it was announced today by George Walsh, Northern California Director of the Fair Employment Practices Committee.

ROTARY CLUB ORGANIZED AT BURBANK

Fifteen Burbank business and professional men have applied for a charter for a Burbank Rotary Club under the sponsorship of the Santa Clara Club, G. F. Bacon and W. F. Hayward, leaders in the movetment, revealed last week.

The Burbank club, when chartered, will meet regularly on Tuesdays at 12:15 p. m. at Lou's Village, they announced. After formal admission to membership in Rotary International which claims clubs in some 70 countries and 5600 cities, the Burbank charter, they said, will be delivered by Clarence Price, governor of district 104, at a special meeting attended by representatives of many clubs in the district.

Present at the organization meeting were Franz Niederauer, Roy Emery, Owen Wagner, Herbert Mabie, John Cunha, Paul Delavan, Jack Clewett, Everett Lorence, Henry T. Miller, Herbert V. Hogue, Steve Dorsa, Ray Hubbard, Robert Pulver, William P. Gelebart and Bentley L. Brown.

Pot Luck and Initiation at Next Legion Meeting

The Legion Auxiliary of Campbell Post No. 596 will serve a pot luck dinner at 6:30 p. m., Oct. 23, and extends a cordial invitation to all legionnaires, veterans and their families. The dinner will be the first in the new Legion year.

An initiatory team composed of the post officers will conduct initiation ceremonies during the meeting, opening at 8:00 p. m. Reports will be presented from the district meeting in Santa Cruz, Oct. 20.

At the last regular meeting applications for Alson Yeager, Bill Wilson and Stephen Ridgely Jr., were presented and accepted.

Upon the resignation of James Malone as adjutant of the post, Henry Hoelling was elected and installed in that office.

Following the meeting members of the Auxiliary and the Post met to enjoy the showing of the Army Signal Corps film "Appointment in Tokyo" by Corporal Pierce of the Army Recruiting Service.

"UNCLE BILL" ROBINSON TO APPEAR IN SAN JOSE

Bill Robinson, the world's greatest tap dancer still, appears with his Concert Revue in the Civic Auditorium, San Jose, on next Thursday evening, Oct. 25.

The Deep River Boys' Quintet, Olivette Miller, harpist; and Frances Palm, contralto, will be among the entertainers.

Born in Richmond, Virginia, grandson of an ex-slave, Bill Robinson was a dancing pickaninny, with "dancing in his bones". He did not have to learn or practice; his native endowment exceeded all that succeeding tap dancers have been able to do. He toured as a pickaninny at $5 a week, and by the time he was 17 was one of the star attractions on the Keith Vaudeville circuit. His first musical show was "Blackbirds", the weekly gross jumping from $9000 to $27,000 after he had entered the revue.

In films—some 14 of them—Robinson has become a familiar and loved figure. In four Shirley Temple pictures he was featured as "Uncle Bill".
